

Brookside PE and Sport Premium Action Plan and Spending Projection 2017/2018

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Background

Since September 2013 all primary schools across England have received a PE and Sport Premium grant. This funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools, so that pupils develop healthy lifestyles. The government have committed to this funding until 2020.

How we are using the PE and Sport Premium at Brookside?

Brookside Primary School has received £18,000 for this academic year.

50% of this funding has been spent on our affiliation to the North Oxfordshire School Sport Partnership (NOSSP). This affiliation gives Brookside Primary School access to regular support from a specialist Primary PE Mentor, who works alongside teachers to improve the quality and learning in and through PE. We also receive occasional input and support from qualified sports coaches, access to regular sports competitions and festivals including national School Games competitions and support with development and delivery of our Change4Life club.

For a copy of our agreement with NOSSP please go to this website:

<http://www.northoxfordshiressp.co.uk/content/affiliation/16452/primary-affiliation>

Overall objective		
To effectively use the PE and Sport Premium Grant to raise the profile and outcomes for children in PE, sport and physical activity throughout the school.		
Objective	Activity	Cost
To increase teacher's confidence in delivering high quality PE lessons	PE Mentor to work with teachers throughout the school, focusing on teacher's areas for development. CPD for teachers and TAs to support the effective teaching of PE.	£17,000
To increase participation in inter-school competitions, festivals and PE Conference	Children to attend a range of events made available by NOSSP. PE Subject Leader to advertise competitions to both children and staff and promote children's achievements using school blog and display.	
To promote happy and healthy lunchtimes	PE Mentor and allocated MDS to work with Playground Leaders, training them to deliver active lunch time sessions with other children.	

To increase physical activity for less active children	To run a Change4Life club focusing on children from Lower Key Stage 2. Change4Life Mentors to take part in PE conference and receive targeted training. NOSSP to provide resources for running club.	
To encourage children to adopt healthy lifestyles	To increase the number of after school clubs offered by outside agencies and school staff.	
To audit the PE resources available within school	Create an audit of PE resources in school to ensure there is high quality equipment available for PE lessons, intra school competitions, after school clubs and Playground Leaders. Additional resources to be purchased for any identified gaps.	£500

Impact of provision in 2016/2017

Last year Brookside Primary School was awarded a Gold Youth Sport Trust Quality Mark. The mark is in recognition of the high quality PE, physical activity, school sport and clubs that we deliver at Brookside. Using the assessment tool we were able to audit our PE provision and identify priorities for the next academic year. The targets we are working on can be seen in the action plan above and we are working to receive a Youth Sport Trust Quality Mark again in 2017/2018. In addition to this we are also going to apply again for the School Games Mark (we have received GOLD for the past three years), which will recognize our commitment to taking part in competition across the school and in the community.

During the 2016/2017 academic year 341 children represented Brookside Primary School at 17 different level 2 competitions, with 32 teams attending with children from Years 1 to 6. Our school football team also took part in a number of games against local schools. Within the school, classes took part in level 1 competitions and School Games Days for the different Key Stages. Also, each child in the school took part in a Martial Arts day and participated in a second inclusive School Games Day doing alternative sports. Throughout the year we also have House Events like a dance off competition etc. in which all children participate.
